PROFESSIONAL SUMMARY

Procurement and supply chain leader with 9+ years building category strategies and sourcing programs for technology infrastructure. Leads RFPs, contract negotiations, and supplier performance management - translating capital plans into executable sourcing strategies that reduce total cost of ownership, mitigate supply risk, and ensure delivery at scale.

CORE COMPETENCIES

Category Strategy & Planning

Strategic Sourcing & RFPs

Infrastructure Equipment Procurement

Contract Negotiation & Award

Supplier Performance & KPIs

Supply Risk Mitigation

Capital Plan Execution

Cross-Functional Stakeholder Management

WORK EXPERIENCE

Comcast - Philadelphia, PA Apr 2024 - Present

Senior Manager, Enterprise Procurement (Feb 2026 - Present) | Manager, Enterprise Procurement (Apr 2024 - Feb 2026)

- Own **category strategy and sourcing execution** for Wireless Infrastructure and Fixed Network across Comcast, NBC, and Sky - multi-billion-dollar infrastructure portfolio covering network hardware, power systems, and technology equipment
- Lead **RFPs, contract negotiations, and supplier awards** for critical infrastructure equipment and services; manage supplier lead times, commits/decommits, and supply risk escalation to ensure network continuity
- Drive supplier performance reviews and KPI tracking across global vendor ecosystems; promoted to Senior Manager for strategic impact across both categories

Plenty - San Francisco / South San Francisco, CA Jan 2018 - Jan 2024

Senior Global Supply Manager (Mar 2021 - Jan 2024) | Global Supply Manager (Jan 2018 - Mar 2021)

- Built category sourcing strategy and executed **capital equipment procurement** for postharvest and packaging infrastructure; led complete facility hardware redesign in collaboration with engineering teams
- Developed and executed **rolling sourcing and budget plans** tied to capital programs; delivered **30% Bill of Material cost reduction** in six months through value engineering, RFPs, and supplier negotiations
- Managed supplier qualification, performance reviews, and risk mitigation for regulated suppliers (FDA, SQF); owned end-to-end supply continuity across multi-site operations
- Implemented Coupa P2P, Ironclad CLM, and NetSuite ERP with dynamic MRP; achieved **99% of spend on contract** and cut requisition cycle time from 3 days to 1.5; led team of 3 buyers
- Maintained **sourcing documentation, process flows**, and procurement policy; used Power BI and ERP spend analytics to track TCO and communicate category performance to leadership

EDUCATION

B.S. Agribusiness Management; Minor in International Business - Penn State University 2012-2016

Study abroad - Temple University Rome (International Business coursework)
